

CLEAN Cluster

Who we are

CLEAN is a world-leading cleantech cluster with an international focus that is based in Denmark. It is a non-profit association that facilitates cooperation between three domains (public sector, private sector and research institutions) with tangible outcomes for all parties involved. The Association has 160+ members. CLEAN's mission is to accelerate the green and sustainable transition while realising growth for the Danish cleantech sector.

Main areas

CLEAN has a focus on Energy and the Environment and the clusters partners are experts in the following fields:

Energy

- Production: Hydro, solar, biomass, wind, geothermal and biofuel
- Infrastructure: Transmission & distribution, conversion, Gas
- Efficiency: Invertors, electric motors, transformers, pumps, sensors, ventilation and more.
- Storage: Water storage, gas, heat, battery.

Environment

- Earth & nature: Land remediation, coastal protection, groundwater
- Water: Water supply, sewage, desalination, water treatment
- Air: Air filters, emission controls.
- Materials & Resources: Recycling materials, biomaterials, waste sorting.

Benefits of Denmark

- A full value chain in renewable energy
- Excellence in wind power, smart grid and bio-energy

- Ambitions to be a fossil free society by 2050
- Serious government dedication to maintain and develop its strong renewable energy position
- Nationwide state-of-the-art smart grid energy system
- World class research and talent pools providing excellent innovative and user-centred cleantech solutions
- Excellent opportunities for cross-over innovation with other sectors
- No less than 46 research institutions are focusing on R&D within cleantech

Sustainable growth and a booming cleantech industry

In the last 25 years, the Danish economy has grown by 70 % while energy consumption has remained largely unchanged. Cleantech has been the fastest-growing sector of Danish exports in recent years, and exports are expected to quadruple in the next four to five years.

YES, I WANT A NEW STAMP ON MY ICN PASSPORT!

I'll use CLEAN's offices, attend their activities as a member and meet their key business contacts!

If you are interested in exploring partnering opportunities and would like to engage with CLEAN through the ICN Passport service, please contact the ICN Secretariat.
